MOTION FOR EXTENSION OF TIME

Constant Communications Company of Nevada, Inc., licensee of Station KQLO(AM), Reno, Nevada, hereby requests a further one week extension of time until May 31, 1988, in which to submit its Reply to the "Response to Petition to Deny," filed by AMERICOM, a California Limited Partnership, the licensee of Station KHTX(AM), Truckee, California.

The instant motion for a one week extension of time has become necessary because KQLO is still engaged in the process of obtaining documents from Commission files and from the files of the planning and zoning authorities in the Truckee, California area concerning KHTX's representations to the Commission as to the unavailability of alternative sites. KQLO submits that the documentation it is gathering will be very useful to the Commission in evaluating KHTX's proposal to modify its facilities.

Counsel for KQLO has attempted to reach counsel for KHTX concerning this request.

Wherefore, good cause having been shown, Constant Communications Company of Nevada, Inc. respectfully requests an extension of time until May 31, 1988, in which to reply to the response filed by AMERICOM.

Respectfully submitted,

CONSTANT COMMUNICATIONS COMPANY
OF NEVADA, INC.
